### AYSAA - Growing and Innovating

Members,  
We hope that 2012 is progressing well for you and your team!

AYSAA is growing faster than ever and we'd like to extend a warm welcome of all of our new members. We would also like to announce the release of our brand new website at [AYSAA.com](#) where you can bind new team insurance policies instantly!

As always, thanks for being a part of AYSAA,

Matt Gonglach  
AYSAA Administrator

### AYSAA Debuts All-New Website Redesign

*No more paper and fax machines, everything is now online!*

We are happy to announce the release of our new website redesign! At the new website, you can see upcoming news, get special offers from our partners, see past newsletters, and check out our new Instant Purchase option for team insurance policies!

That's right: you can purchase team insurance instantly with a credit card and have your proof of coverage in hand right away! Teams that register online can even add their own additional insureds directly from the website 24 hours a day.

**We hope you'll check it out!**

### Get your own team website - for free!

*Eteamz.com provides quick and easy team sites*

Looking for an easy way to get news, directions to fields, and rainout information to your team

and parents? Look no further than [eTeamz.com](http://eTeamz.com)!

eTeamz provides free websites for youth sports programs so that you can cut down on team-wide emails and get all of your information into one easy location!

## ***About AYSAA***

The American Youth Sports Athletic Association (AYSA) was formed to provide benefits to athletic teams and to supervise and promote recreational and athletic programs. Our objective is to assist the athletic community to implant ideals of good sportsmanship, honesty, loyalty, courage, teamwork and respect in young athletes.

We feel that properly run athletic programs will help the youth of America grow up to be better adults. We provide services and products for teams in various sports and will sponsor, promote and host athletic events.
